

Trojan Park Grand Opening Celebration

Great Rivers Greenway - in partnership with the National Recreation and Park Association (NRPA), Beyond Housing, St. Louis County Parks and the City of Wellston - transformed this one acre lot into a vibrant community park. Named after the mascot of Wellston's former Eskridge High School, Trojan Park has been designed by and for local residents as a space for the community to gather and play.

11:15 am

Jr. NBA Basketball Clinic

Built as part of the National Recreation and Park Association's 2016 Parks Build Community initiative, Trojan Park was made possible through the generous contributions of professional services firms and playground equipment and park amenity manufacturers throughout the country.

Special thanks to the following partners and companies for making this project possible:

Trojan Park is part of the St. Vincent Greenway, learn more at www.GreatRiversGreenway.org.
